## Mission statement

- Mission should be **time-bound**
- **“by 2020”** should not refer to ensuring the limited elements of biodiversity but **to halting** the loss of biodiversity

[Our proposal]

Take effective and urgent action  
**[to halt]** ~~[towards halting]~~  
**[by 2020]** the loss of biodiversity  
in order to ensure that ~~[by 2020]~~  
... (elements) ...

*Biodiversity on the Brink* (Japanese youth NGO)

We, as youth, have been undertaking various efforts for New Strategic Plan. We aspire that the Post 2010 Target be a target which is definitive. Our main issues of concern are the Mission Statement and Targets 5,6,10 and 11.
